PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER, SIX PAYMENT SERVICES, ZÜRICH | SINCE 06/2019

At Six Payment Services, I work in the Saferpay team, enhancing and maintaining a payment gateway for online transactions. After a few weeks, I always well integrated in the team delivering results.
(C#, .NET, .NET Core, WCF, JavaScript, MVC, Web Security)

DATA WAREHOUSING ENGINEER, ELCA, ZÜRICH | 01/2018 - 05/2019

In the Viacar project, I was responsible for migrating 3 terabytes of data from a legacy system to a new one. I leaded a team of 8 people and reduced the migration time from 68 hours to 32 hours.
(C#, ETL, MSSQL, Jenkins)

FULLSTACK DEVELOPER, ELCA, ZÜRICH | 06/2018 - 11/2018

In the Viacar project, I also worked 5 months 50% of the time as a fullstack developer.
(C#, .NET, WCF, JavaScript, Angular 6, Jenkins, Octopus)

FULLSTACK DEVELOPER, DIREO, ZÜRICH | 06/2017 - 06/2019

With 2 teammates, we developed a SaaS mobile solution for driving schools - https://www.direo.ch/.
(C#, Xamarin.Forms, .NET Core, Azure, Azure DevOps)

DYNAMICS 365 INTEGRATOR, ELCA, ZÜRICH | 09/2016 - 01/2018

For 3 different clients, I developed interfaces and customised CRMs for sales automation.
(C#, JavaScript, Azure, Dynamics 365)
